Race #35 Phoenix

We are at the point we have been waiting for since the Daytona 500, the last race of the season and the AUTO MEDICS Championships are on the line.

Round 6 Championships, our leader Benny-Bach racing failed to score letting waltschallenge.com get closer. If you are within 20 points of the leader and no one has the same pick as you for Miami you have a chance.

In the Grand Total Column the highest total after Miami will win a prize from AUTO MEDICS, 6th Ave East and 5th St Duluth. The 2nd Highest will earn a prize from the Miller Mall Machine Shop across Hwy 53 from Target. So far it looks like Charlie Brown's Bar 1828 Iowa St. in Superior has a nice lead.

I would like to thank you all for playing the AUTO MEDICS Team Division of the Challenge Series. It has been great fun and I feel I have gotten to know many of you a little better. We will do this again next season and it will be an exciting season with the kids coming up the ranks.

Thanks to AUTO MEDICS for their help in making this fun and to Miller Mall Machine Shop for their help.

One race to go. Make your move.
