

Interstate Batteries Challenge 2017

waltchallenge.com

Race #35 Phoenix

We have reached the point we have waited for since the Daytona 500, the last race of the season. And we have close races for the INTERSTATE BATTERIES Challenge Championship.

The #21 wins the pole and 1 player earns 5 pole points. The #21 failed to finish in the top 10 so 5 points is all Jessica gets.

The #20 wins the race and earns 10 points and we have winning picks.

In the 9 and Under; We have a new leader as Caden scores points and moves past Layla. There were no pole winners or race winning picks. Points were earned by; Everly Rae, Noah, Chase, Elijah and Logan. If you are within 20 points of the leader and no one else has the same pick above you you have a chance to win the INTERTSATE BATTERIES 2nd Half Championship. The player with the most points in the New Total Column will earn a trophy. It looks to be a close battle between T J B and Noah,

In the 10 and Over; Dominick the Dominator has a nice lead but a pole winning pick by someone else and a good finish could be a threat. Winning picks by Alexis L ahs moved her to 3rd, Alexis S and Ryan each score the win. One pole winner Jessica earns 5 points. Other point earners; Brandon moves to 2nd needing a pole winner and a very good finish next week to upset Dominick, Carter, Michaela and Elizabeth. If you are within 20 points of the leader and no one else has the same pick as you in front of you, you have a chance. The highest point earners in the New Total Column will earn a trophy, so far it looks like it will be between Dominick, Brandon and Jack.

One more race to go and we will have INTERTSATE BATTERIES Champions.
